

Access to Taft-Hartley Administrators

As a member, you will be invited by the Executive Director to present to the Coalition's Administrators at a regular meeting. Regular meetings are held bimonthly and two Associate Members will be invited. In addition, all Associate Members are welcome to join the Administrators at two annual social events. Each May the Coalition hosts an exciting golf event as well as a holiday luncheon in December.

Distribution of Marketing Materials

Being an Associate Member affords you the opportunity to showcase marketing materials that may be useful for Taft-Hartley Administrators selecting a new service provider. Each Associate Member is asked to provide a synopsis of services provided to Taft-Hartley clientele that will accompany marketing materials in the Coalition's new Associate Member Ad Book. This book will be available to all Administrators.

In addition, all Associate Members will be linked on the Coalition's new website after submission of a one-paragraph summary of services, contact information, company logo and website address. All Associate Member information will be updated yearly.
